HOW THE MESSAGE IS BEING CARRIED

Military Members/Veterans audio interviews feature stories of A.A. members in the military from the United States and Canada.

Regional Forums take place in the eight regions of the U.S./Canada service structure. At these events, A.A. members exchange information with representatives of the General Service Board, AAWS, AA Grapevine and GSO Staff members. In January 2026, a Special Online Forum for Deaf Members had 386 attendees highlighting insightful experiences on staying sober and carrying the message of A.A.

The **International Assignment** has assisted translation projects in languages such as Haitian Creole, Somali and Karen to carry the A.A. message to alcoholics who speak those languages in the U.S. and Canada — and around the world.
